To All Trash Collectors:

Please note that it is the decision of the New Castle County Department of Public Works and the County Council Solid Waste Committee that the hours of the landfill operation from November 1 to April 30 will be as follows:

Monday	<i>7 AM</i>	6 A.M.	to	5 P.M.
Tuesday	<i>7 AM</i>	6 A.M.	to	5 P.M.
Wednesday		7 A.M.	to	5 P.M.
Thursday		7 A.M.	to	5 P.M.
Friday		7 A.M.	to	5 P.M.
Saturday		8 A.M.	to	2 P.M.

This is in order to get the cover on the day's deposit before total darkness sets in. This move is necessary in order to adequately and completely cover the trash as required by the State regulatory agencies.

You will note that the hours of operation are the same as at present. The only change is a one hour advance which is in effect working the entire year on daylight saving time.

If you have any reasonable objection please let this office know at once to-gether with a reasonable solution to our problem. Please remember that it is to your advantage as well as ours to operate as unobjectionable a landfill as possible.

Yours truly,

George W. Dutcher
